Your Partner in Business Since 1910

Founded in 1910, the New Jersey Business & Industry Association is the nation's largest state-level employer association, with more than 23,000 member companies.

NJBIA represents the business community before the State Legislature and State agencies. The Association also keeps its members informed about State and federal regulations and provides detailed information on relevant business topics through regular seminars and conferences.

Members receive a wealth of free information from NJBIA newsletters and the Association's flagship publication, *NEW JERSEY BUSINESS MAGAZINE*. They also enjoy discount prices for NJBIA seminars, special publications and other services. Members and their employees are eligible to apply for insurance coverage with NJM Insurance Company.

For more information about the Association, call NJBIA's Member Services Department at 609-393-7707, ext. 238, or visit www.njbia.org.
