

## **AT&T Bedminster Facility**

1 AT&T Way  
Bedminster, NJ

07921

Global Network  
Operations Center

# Join Us...

and a group of your colleagues in a discussion regarding business retailing trends. How can your business stay agile and responsive to ever changing consumer demand by connecting each step of the retail lifecycle with a unified solution. We will be discussing business communication tools that can help provide you with up-to-the-minute insights on inventory, logistics and customers trends; so you can get the right products in the right hands at the right time.

**AT&T Business**

**Tuesday  
June 20, 2017  
9AM to 2 PM**

---
